Acting Program

A Word About Our Acting Program…

'Want your child to have a quality theater experience? The Discovery Center has a long standing commitment to *every child*. Each child gets a speaking role and the opportunity to 'be' a character .. more than just 'being in the show' or one in a cast of thousands, our directors work with your child to develop acting skills in a nurturing environment that provides an ideal adult:child ratio." If you are new to the program we invite you to take $50 off.
