 Environment Health & Medicine Math / Computers Physics Psychology

Student's email _____ Referring teacher's email _____

The Fair is poster board no more than 6 feet high off the table / 4 feet wide and 30 inches in depth.

Do you need electricity?

Yes No please note electricity cannot be created the day of the fair.

*** Electricity will be provided in the afternoon session for Power Point presentations, not provided: laptops or projectors.***

I understand the following:

- The judging process is a "conversational+style presentation i.e. engaging in a %back and forth+discussion in relation to your project. It is not presenting for a certain amount of minutes and then questioning
- I am expected to stay at the Fair until 3pm
- Only individual research can continue on for further competition
Projects with multiple contributors can and do win at the Fair but are not allowed further competition
- I have read the rules
- Approximately 10 days before the fair I will receive by email what time to show up and how the day will unfold.

In addition to first, second and third place prizes, awards will be given to the top ten as well as one overall best of Fair. The top three exhibits will be selected to go on to NYS Science Congress. Please let us know if you do not wish to be considered for this honor.

I am participating in WESEF

if so, no further paperwork is needed, we will check with WESEF that proper research guidelines and acceptable treatment of animals / procedures were in play during your research.

I am not participating in WESEF.

Please include a letter from your teacher, principal or science department chair stating that you have complied with the WESEF policies as it relates to research and acceptable treatment of animals / human studies.

I am not able to continue on for further competition.

Please sign here as an acknowledgement of reading the 2010 rules and the above expectations:
