THE STORYLINE

An interactive acting program for children interested in acting and art

for ages 6-10

THE STORYLINE (Acting) ages 6-10

Children will brainstorm to come up with a storyline. Then, the fun begins, developing the story, creating props for the final production. This program combines arts n crafts and drama. This is a great introduction to acting. This program does not have a "live" performance like our stage shows, rather a fun, informal show for parents. So whether you are one of our veteran actors or just want to give it a whirl this is a great opportunity to have some fun!! Meets Wednesdays, 5:30 to 7:00 p.m. at the Discovery Center in Mahopac 854 Route 6 (1/2 mile east of Croton Falls Rd)

Participants engage in improvisation and theater games to explore ideas for plots and characters. The workshop concludes with an original presentation written and performed by the group. Perfect for the budding playwright, stand up comic or any student wishing to expand his/her own creativity in a performance-related art form. Directed by Diana Hird
