### CRUISE TO BERMUDA August 15—20, 2009

As always we try to have a price that includes the "hidden" items: Our pricing includes room / port taxes/ fuel surcharges/ and TIPS.. So all you should need is optional: money for alcoholic drinks, soda pass, casino, and shore excursions / shopping!!

Please note there are very few upgrades as the Bermuda cursing season is truncated so you should choose the cabin you have a true interest in... should we be able to upgrade you at no additional cost we will absolutely do it on your behalf.

Prices are per cabin:

\*\*\*early bird pricing shown below (deposit before 10/1/08) \*\*\*

	2 people / same cabin	3 people/ same cabin	4 people/ same cabin
Inside cabin:	\$2,299	\$3,299	\$ 4,250
Ocean view	\$2,920	\$3,925	\$ 4,950
Balcony	\$ 3,175	\$4,350	\$ 5,399

\*\*\* prices always are subject to increases , so we encourage you to book now.\*\*\*

Families of 5 or more will require 2 cabins—divided where each cabin chosen should have 2 people – so family of five can be 2 +3 a family of 6 can be 3 cabins with 2 each or a 4 + 2 or a 3 + 3. ONLY TWO CABINS CONNECT so if choosing 3 cabins with children—be sure an adult is in the cabin that doesn't connect—email me if you have any questions.

Keep in mind that cabins are relatively small and you may want connecting rooms if traveling with your children. Example 2 inside cabins are \$4,598 and one cabin with all 4 is \$4,250... so you are only saving a few hundred— what is your sanity worth?

Deposit of \$150pp is required (fully refundable until 10/31/08)
